**13. RISK ASSESSMENT - SPANTECH USE ONLY**

**RISK SCORE**

*All contractors start with a score of 25.*

*Subtract or add to this score to identify the Total Risks Score for the Contractor.*

*The Contractor must provide an attachment when requested. Score any "Yes" answer without the requested attachment as zero.*

*Score all "No" answers as zero.*

*Any N/A item scores the full amount.*

*Round the Total Score up to the nearest whole number.*

**Total Risk Score:**

- |               |   |
|---------------|---|
| (less than 4) | Approved Contractor                       |
| (5-11)        | Approved Contractor - Frequent Monitoring |
| (12-19)       | Management Approval Required              |
| (20+)         | Not Approved                              |
